Project Description

etc Design Ltd. were commissioned by Elysian Care Ltd. to design a 'state of the art' Nursing Home on the site of the previous derelict Wood Hayes Public House in Wednesfield, Wolverhampton, which suffered from several anti-social issues.

The nursing home facility was designed to help provide the highest standard of care to be found in the Wolverhampton area, providing 69 single bedrooms complete with en-suite facilities over 3 floors, all of which achieved the minimum national care standards. Ancillary accommodation included assisted bathrooms, nurse stations, drug stores, lounge & dining rooms, catering & cleaning areas together with office facilities & landscaped communal gardens.

Client

Elysian Care Ltd.

Floor Area

3500sq. m

Construction Period

tbc

Construction Cost

£6 million approx

Project Team

Architect: etc design ltd, Client representative.
